## Monday Morning Memo to Rotary Club Presidents

September 24, 2007

Happy Monday and **welcome** to week thirteen of your fabulous year!

We are now in the last week before the **ROTARY RALLY**, and thanks to you we doubled our registrants to 70 Rotarians from 30 clubs. I have attached a registration list for your information to double check your club's registrations. PLEASE PLEASE PLEASE get yourself, your club membership chair, your club foundation chair, and any other key Rotarians interested in these areas, to register TODAY if they are not there now. Simply go to the DaCdb, Calendar tab, go to Register Me tab, and Register for the Rally. For help, contact Brenda Wendt. It will make Brenda's job so much easier if we can get these registrations uploaded by Tuesday, and keep on-site registrations to a minimum.

If your club is paying for your attendees, remember the cost is \$10 per person, and we do not bill the club. It is your responsibility to insure someone comes with a check to cover the cost for your attendees. This will provide coffee, water, rolls, and lunch.

As you know, I am pushing the **Rotary Leadership Institute** in my official visits, and I am pleased with the response that we seem to be getting. I have been asked many times when our next session will be held, and although the next session in District 6950 is not until February 23<sup>rd</sup> in Clearwater, and perhaps later in the spring in Crystal River again, please note that there are several nearby locations out of our District, that for some, may even be shorter distances to travel than going to Clearwater! Locations and dates can be checked at <http://www.rlitraining.org/TrainingSchedule.htm>. It is also a good experience to take an RLI out of the area and get a different perspective on Rotary.

I have been blessed at almost every one of my official visits to have an average Rotarian (not a club officer or key member of the leadership team) approach me and relay how my presentation has renewed their **excitement and passion for Rotary**. This comment is not being made to pat myself on the back for a successful presentation, but rather to remind you that you and your club leadership team, with the help of the District Leadership Team, are the ones who must carry that excitement and passion forward, and keep the fires burning!

Looking forward to seeing you this weekend!

Yours in Rotary's Service,

*Tim*
