

Rotary International District 6950
Monday Morning Memo to Rotary Club Presidents

March 10, 2008

Happy Monday, and welcome to week 37 of your Presidential year ~

- All is well, but I am exhausted after a FULL 7 days from home for Rotary Leadership Institute sessions, PETS and RLI annual meeting.
- We have received several BlueCross BlueShield grant requests, as well as submissions for consideration for the RI Special Achievement award for clubs. I will review those late tomorrow after I catch up at the office first!
- Don't forget Rotary at Tampa Bay Downs this Saturday - a special time of fellowship, fun and food - all for a mere \$2.00!
- Although I spent most of my PETS time outside of our own District aiding RI Director Barry Rassin (a good thing as our PE class needs more time with DGE Russ rather than seeing or hearing from me), the reports I received indicate that our PE class came prepared, and went away satisfied and united. Let's help them keep up that enthusiasm - give them time this week to talk to your club about their experience.

Have a great week *Sharing Rotary!*

Yours in Rotary's Service,

Tim
