

GOOD MORNING Rotarian Leaders!!

This is WRPQ at 6950 on your Rotary dial. Have you checked your Rotary **PASSION** quotient this morning?

District Assembly is coming up very quickly. You should be making sure that your team is registered as soon as possible. The better your Club Officers understand their role and the requirements of their respective positions your year as President will be much smoother.

Friday night, April 11th we will be having a Rotary Bowl. Districts 6890 and 6950 will have teams competing on their knowledge of Rotary. Teams will be chosen at random and will need cheering sections rooting them to victory. Questions will be based on PDG Gene Beils Rotary 101 used at this years PETS.

I appreciate all of you reviewing your Club Goals Form and making changes where reasonable.

Our "Building Hope" project is getting legs as your excitement is motivating our members.

I hope all of you are planning on attending this years District Conference to celebrate another great year of service and fun.

It was good to see so many of you at the Races Saturday. The fellowship, fun and food was the best \$2.00 deal you'll ever have. Be sure to tell those not in attendance what a wonderful time they missed.

PDG Keith Kurber and DG Tim Schuler are holding another PETS for the PEs who did not make it to Orlando on April 11th just prior to District Assembly. The session will start at 9:00 AM sharp so that all may attend the DaCDB training that afternoon.
