GOOD MORNING Rotarian Leaders!!

This is WRPQ at 6950 on your Rotary dial. Have you checked your Rotary **PASSION** quotient this morning?

It's not too late to register for this weekend.

As promised we have planned this training to give every club leader more time with their families. By combining District Assembly, the Membership Seminar and the Foundation Seminar you will only be away from your family one Saturday versus three. Please share this with your club officers and get them registered. Much will be learned from Rotarian leaders from the Zone, our district and district 6890. We will also have two Rotary vendors attending offering Rotary merchandise for sale.

Prior to leaving for these seminars please remember to give your Secretary and Treasurer their training manual which is in your PETS binder.

Some members have tried to make reservations at the Crowne Plaza but have been told that the Rotary rate is sold out. Call the hotel and ask for Cheryl or Shannon and they will honor the rate until the hotel is sold out of all rooms. (813-623-6363)

Sharpen your knowledge of Rotary for Friday nights Rotary Challenge Bowl with District 6890. I look forward to seeing all of you Friday.
